Victim	Offense BAKER / MARCHMAN ACT	Date / Time Reported Mon 12/02/2013 22:26

On December 02, 2013 I was dispatched to 8930 S US Highway 1 (Good Samaritan Thrift Store), Port St Lucie, Florida in reference to a male possibly overdosing on pills.

I spoke with the complainant, Vitangelo Bitetto, who stated the following:

He is the pastor at the Good Samaritan Thrift Store. At around 11:15pm one of his parishioners, Vincent Pignataro, became upset for unknown reasons. Vitangelo asked him what was wrong and Vincent began to swallow nine (9) of his prescribed medication (Clonazepam .5mg). Vitangelo then notified 911 for rescue because he was worried Vincent had overdosed on his medication. Vincent then took off heading southbound on US 1 from the thrift store.

Officers began to search for Vincent in the immediate perimeter and Officer Riccardi found Vincent heading southbound near Sea Coast National Bank on US1. He was shortly transported to the St Lucie Medical Center.

I spoke with Vincent who stated the following:

He was upset at the individuals at the Good Samaritan church and wanted to leave. He denied taking "9" pills and was heading to the St Lucie Medical Center for help. I asked Vincent if he ever had thoughts about hurting himself and stated that he had suicidal thoughts and was planning to "kill" himself tonight by "jumping in front of a car."

I later learned that Vincent is Bipolar and currently takes Clonidine for his blood pressure and Clonazepam. He is originally from Delray Beach, Florida and does not have any family near by.

In searching his backpack, I discovered a blue "PayPal" debit MasterCard with the name- "Richard Baker." Vincent did not know who the card belonged to and neither did Vitangelo. The card was seized and placed into evidence as found property.

Based on Vincent's statement of "killing himself" and admitting to having constant suicidal thoughts, "needing help", and the medication ingested; I determined he was not able to care for himself. Therefore, Vincent Pignataro met the criteria for a Baker Act; And, without care or treatment, he would cause serious bodily harm to himself.

Vincent was admitted at the [REDACTED] for Baker Act without further incident.
